

Week #2 (September 20, 2020) - "The Best Neighbor of All" Luke 10:25-28

Grab a bible and read together Luke 10:25-29

Small Group Questions

1. What is the nicest thing a neighbor has ever done for you?
2. Jesus answers the law expert by asking a question. What do you think about that way of responding to a person's question? Do you think Jesus might be teaching us something simply in the manner by which he responds? Are you a person who does more listening or more talking?
3. Read Deuteronomy 6:4-9. In addition to the section that is quoted, what else can be found in these verses? Is there anything here worth carrying forward and learning from by reading the additional verses?
4. If someone you didn't know loved God with all their heart, soul, strength and mind – how would you know that? In other words, what kinds of things does a person like that do in their everyday life?
5. What kinds of things have your neighbors observed you doing that gives them insight as to what you and your family are all about?
6. If your group did the neighboring exercise last week, what if any impact did that exercise have on you this last week? Any interesting interactions? Have you met anyone new?
7. If these words from the lawyer can be summarized by simply saying "Love God. Love People" why is that so hard?
8. What are ways in your everyday life where you might find ways to love God in new ways? With your heart, soul, strength and mind? What's one thing you want to try and do differently this week?
