SECTION 1 – GROWTH GROUPS QUESTIONS

1. What is favoritism? How does James define favoritism?
2. What do you think James is trying to convey to his readers in verse 5? What are the implications of this verse for the Church of today?
3. How do you see favoritism show itself in our modern context?
4. When was the last time you had an interaction of significance with someone who is poor? What did that interaction look like? If you could go back and relive that interaction, would you do anything differently?
5. Sunday October 1 was World Communion Sunday. What is the connection between favoritism and participating in the sacrament of Communion?

6. Have you taken Communion in a different cultural context before? How was it different? How was it the same?

SECTION 2 – PRAYER

Take some time to share some prayer requests with one another and then spend some time praying for each other.
