

"Extravagant Faithfullness"
Week 9 in a 9-week Series

Preached: November 15, 2026
Scripture: Luke 7:36-50
Series: "40 Years of FaithFullness" – Week 9 of 9

SECTION 1 – GROWTH GROUP QUESTIONS

1. Do you find it hard to remember people's names? When was a time that someone remembered your name and it was a pleasant surprise? Why might it be important to know someone's name?

2. Why do you think it can sometimes be easier to recognize someone else's sin than our own?

3. What do you think Simon the Pharisee's motivation was to invite Jesus into his home?

4. What do you think motivated the woman to come to Jesus and anoint His feet?

5. What were the differences between Simon's treatment of Jesus and the woman's treatment of Jesus? Why is this significant?

6. Have you ever judged someone based on their past rather than seeing them as Jesus sees them? What happened?

7. What do you think it means to really SEE someone? What does Jesus see when he looks at the woman and what does Simon see when he looks at her?

8. The woman came to Jesus with tears, humility, and gratitude. If this is considered genuine worship, what do you think genuine worship might look like in your life today?

SECTION 2 – PRAYER

Spend time praying for each other. Is there an area of your life where you need to receive God's forgiveness or extend forgiveness to someone else? If you feel comfortable sharing with the group, do that. If not, simply ask for people to pray for your unspoken prayer.

How can you become a growth group that extends grace rather than judgment to people who are struggling or have a difficult past? Pray about that as well.
