## MPC On-Campus Worship Guidelines

We wanted to take a moment to give you all the information you'll need to join in our on-campus worship gatherings, starting **Sunday, September 13**. Service starts at **9:00am**, but arrive early to get set up and connected.

**All worship service elements will be happening inside the Sanctuary, while you and your loved ones will be outside.**

### Frequently Asked Questions

#### ***Why come on campus if everything is happening inside and we are seated outside?***

There has been a strong desire from many in our community to be together – in whatever capacity we are able to and this is the best way to make that happen.

#### ***What guidelines are in place while I am on campus?***

As has become standard, here are the guidelines.

1. All participants in your group must be able to answer NO to all of these questions; otherwise, they are not permitted to stay on campus.
  - a. Do you have symptoms of fever, cough (without known/chronic cause), shortness of breath, sore throat or diarrhea?
  - b. Have you had close contact in the last 14 days with an individual diagnosed with COVID-19?
  - c. Have you traveled internationally or domestically in the last 14 days?
  - d. Is your temperature at or above 100.4 degrees?
2. All participants must wear cloth face coverings at all times and keep socially-distanced at all areas of the facility, including restrooms and the parking lot.
3. Maintain social distance of at least 6' before, during, and after facility use. This includes leaving a space between parked cars.

#### ***What are the outdoor opportunities?***

Option 1 – Set up in the parking lot next to your car, tune in your radio to **FM 87.9** and other digital devices to the service and watch from the comfort of your vehicle.

Option 2 – There are a number of areas on campus where you can set up camp and take in the worship service. We encourage you to bring your own canopy (since there are a limited number of areas on campus with shade), chairs, and drinks to make the service more comfortable. Please keep in mind that masks are required.

#### ***Will bathrooms be open?***

We will have one set of bathrooms open outside of Wilkinson Hall. All we ask is that people use them one person at a time.

#### ***Can I still watch from home?***

Yes, at [www.MPCLife.org/sermons](http://www.MPCLife.org/sermons). Keep in mind it is a livestreamed service. It starts at 9:00am, so you need to log in at 9:00am to see it from the beginning. Otherwise, you can get a recording of the service later in the day.
