

"WEEK #6 - WORSHIP"

Preached: October 17, 2021

Series: "The Essentials"

Scripture: Psalm 100

SECTION 1 – SMALL GROUPS QUESTIONS

1. Check in question – What is a song that when you hear it, it affects your mood or takes you back to a specific time or place?
2. In what kind of environment do you feel closest to God in? In church? In nature? When you are with your small group? When you are listening to music?
3. Read Psalm 100. Does this describe your worship of the Lord? Why or why not?
4. What piece of worship music serves as a reminder to you personally about a truth of God that you want to hold onto?
5. When Jesus enters into the world, he leaves his Holy Spirit – so that worship can take place anywhere. How do you keep Jesus at the center of EVERYTHING you do?
6. Read Romans 12:1 out loud together. What ways can offer yourself as a LIVING sacrifice to God?

For additional study, read John 4:1-24. What can we learn from the Woman at the Well and her interaction with Jesus about worship?

SECTION 2 – PRAYER

Last week, our focus was on prayer. Has this last week seen any breakthroughs with prayer? Any answered prayers to share with the group? Pray for each other.

SECTION 3 - MOMENT ON MISSION

Partners in the community – We are going to have many opportunities for you and yours to be involved with different parts of worship services for the Advent / Christmas season. Keep an eye out for these great opportunities (Handbell choir, Advent readers, Singing Choir, Sanctuary decorators). MPC website for more information.

On your own – Start each day in the car or over breakfast or while you're still in bed and listen to a worship song. Sing along with the music. See if that practice helps you to keep your eyes fixed on Jesus throughout the day. I am not trying to limit you to just one song. You can listen to songs all day if you are able or willing.
